\$23,316,315

*** Applicants must address technical reviewer comments during the development of their grant agreement. ***

PINs not recommended for funding do not appear on this list.

* PINs with an asterisk (*) indicate the applicant was invited back to submit a Full Proposal to compete for the up to five percent (5%) in Coastal Nonpoint Source (CNPS) Pollution Control Program funds reserved to fund projects that provide a direct benefit to disadvantaged communities (DACs).

¹ PIN 9339 requested \$5 million. PIN 9339 is recommended for the five percent (5%) DAC funds reserved for projects that provide a direct benefit to DACs. Therefore, five percent of the CNPS funds (\$2,155,000) are allocated for this project. The remaining funding requested for PIN 9339 (\$2,845,000) is shown below the funding line.
